ONLINE REAL ESTATE NETWORK

ICIWorld is an online real estate network that brings lead generation to a whole new level.

Providing a service on an international level bringing foreign property investment easier to investors.

OUR PLEDGE

Every single member does a deal every 90 days or at the very minimum develops good business relationships with people that you feel will lead to doing deals or you call us!

ICIWorld specializes in Haves and Wants that include exclusive, open, and MLS listings

ADVANTAGES:

- Work with information not just MLS listings
- Unlimited Have and Want Advertisements
- Powerful Listing Tools with Lists of Buyers
- Revenue producing links for your website
- You could have a \$30,000 web site and it would not be as powerful as the one supplied by ICIWorld
- One-on-one support, "Turn key" Websites
- Seminars for your real estate association or office
- Lots of real estate resources available: social media, internet lead generation, tutorials, videos, and more.

Specializing in generating internet real estate leads for licensed real estate brokers and salespeople
