**At Real Estate Board Shows we have one of the busiest booths because we make a statement that you could have a \$30,000 web site and it would not be as powerful as the one supplied by ICIWorld for \$199/year. Yet we recommend you keep all your sites!**

- Web sites are like billboards, if they all generate leads why not? WE HELP YOU WITH ALL OF THEM.
- The difference from other web sites is that not only is it a professional \$5000-\$10,000 looking website, but **it will have thousands of listings with colour photos, slide show displays automatic updating.**
- **The difference from other web sites is that all listings are specially structured so that YOU GET THE CALLS! It is like having thousands of classified ads but in a way that you get the calls.**
- **Do referrals. Do direct business. Make appointments!**
- THIS WEBSITE IS NOW MOBILIZED Take advantage of the new Internet Revolution!
- **AUTOMATIC! Delivery of new listings to prospects.** They see a home in an email . . . they call you!
- We provide commercial links for all your web sites so you can DO REFERRALS!
