They are Menu Items That Provide Choices For Your Customers

They will ask for more information on a message number from you not the listing agent.

Do referrals, do direct business depending on your choice.

Some websites have a menu item heading called Exclusive Real Estate with drop down box choices for exclusive. Other websites have two headings, one called Residential and another called Commercial with drop down boxes of choices to search. It is your choice. Links can be modified and tailored to suit using key words.
